她是一个好姑娘, 可惜年太小。  
如果你爱她, 你可以骗她, 只要为她好。  
你对她是有吸引力的, 就怕她被别人骗了。

I think this girl is immature because she is still young.  
It is really a trouble to flirt with such girls. They will  
only bring you trouble and endless problems. Even if you  
are luck enough to become her boyfriend or husband, you will  
never know after one year or two what she will think about.  
So keep calm and let it be. Remember: if you always think  
about her, she weighs tons in your mind, if you let it be,  
you will care less and less of her. She is not your type.

You are so pathetic and hopeless -- hopelessly pathetic and pathetically hopeless! Lighten up, pal! Get a life -- a real life! A woman is not worth that much of your time, money, or energy. Cannot you see it? Your life is being controlled and systematically ruined by that woman! She played you like a toy! Forget about marrying her; you wouldn't be happy \*even if\* you made it. Why? Because she would see another guy at the first chance she gets. And you would pretty much just have to accept the fact and live miserably for the rest of your life, as you do not have the guts to walk away from her. Admit it -- you are obsessed with her! You definitely need some professional help, my friend! Sorry for using these strong words on you, but I really feel like batting you on your head until you wake up!

Mon Jun 30 01:01:26 WAT 1997 [Jiang, Ping](http://) at Washington DC <http://>

Let's think about a Q. Why she doesn't like you as you expect? This is the key point. I guess your height is the most drawback. Maybe she doesn't let you know she minds it. She thinks it might hurt you. But if you are not attractive to her at all. she could already leave you earlier. When you think it over, it would easily lead to the conclusion that she is hesitating by now.

I believe you are at a critical time. You should try your best to let she know that you are the very man who cares her most. No need to touch her too frequent but make her aware of your concerns.

NEVER consider the stupid idea such as making love, I bet it is unhelpful. Act as a gentleman. No need to control yourself not to kiss her or a warm hug when you turn on and she is not \*very\* objective. Don't be shy and don't be timid. Meanwhile, bring her freshness whenever you are meeting. Seems sb told you that. :-)

My friend tells me that he got married lately, I think you two experienced similiarly. If you feel like it, you may call him @ 6217-2277 x 3346. Remember his wife is in the same office. Oh, I almost forget, his name is Kang4/Di2.

嗨， 朋友，

我不明白为什么您要把个人的恋爱难题来参加主页大赛，这是对您自己的不尊重。

如果某一天你们真的终成眷属，这也是对她的不尊重。

我希望这个故事是虚构的。如果不是。

如果您真的从内心深处爱她。而不是寻求浪漫感觉

(It is very addictive to be in such a romantic mood).

我建议您让她看这篇主页，请求她的原谅。并且停止您的故事。

No girl wants his boyfriend ask advice from others.

That is not the way of a man.

您的主页她可以理解， 如果她明白您是完全出于对她的爱。

我自己刚从"死人堆"里爬出来， 我的故事要沉重的多，  
我完全明白您的感受。

爱不仅仅是那一点点感觉。

Girls are not understandable, but they are human too.

那咱们这大老爷们要求女方什么呢？女强人，妇婆，妓女？！

Sorry for this English message. I cannot input Chinese althouth I can read.

Life is not a novel, but girls always put themselves into the impractical imagination. Doctor?! What's the difference between a doctor and a common person? Nothing new except a seemly flamble title.

For the girl, I don't think it is easy for her to get to know the real meaning of life until she meets the wall. I had ever had a similar story like yours. Although I warned her that her imagination was dangerous, she told that she decided to take the risk. Now, she does regret what she has done on me, but it is too late.

I think you do have a chance although so many difficulties are there. The most important thing you have to do is to let her FANG(4) Qi(4) Hui(4) xiang(3). It is not easy for a young girl, but you have to. Just find some cases which look like her imagination, but are totally miserable. More and more, she will return to the reality from Qiong(2) Yao(2)'s noval. Qiong's novels have destroyed many good girls, letting them believe that romantic love can be over the serious life.

Go ahead! Make her back to the world instead of the dream!

This is only my personal thought, and I don't expected it to be posted in your home pages.

Hope it helps. Good luck!

Shawn, from USA

哈哈,这是俺从网上看到的最有趣的故事。

俺来提点建议: 一张一弛,文武之道。

“张”的时候拼命追,让她当你是“习惯”;

“弛”的时候拼命躲，离了习惯就不好办。  
(她不好办，不是你。)

运用之妙，存乎于心，不一定要别人手把手地教。

关键时刻不能手软，施展一吻封杀之技，  
可有奇效。

化钱不一定大方，谈吐一定要大度；但适当的时候也可表现一点不耐烦，不要让她以为你没“个性”。

祝好运！
